ANIMO GROUP

Crew Employment & Payroll for the Superyacht Sector

In partnership with Cornerstone Crew Management

Animo is proud to announce a collaboration with Cornerstone Crew Management, a specialist provider of crew employment and payroll services to the superyacht industry. Through this partnership, Animo can now offer yacht owners, captains, and professional intermediaries access to Cornerstone's expert support for employment structuring, payroll administration, and crew welfare services. For all enquiries, consultations, or onboarding discussions, your primary contact will be Chris Stewart, Cornerstone's Business Development Administrator.

What Cornerstone Provides Owner-Focused Employment Structures

- Each yacht is assigned a dedicated Crew Employment Company, ensuring separation from other assets and limiting liability.
- Ring-fenced bank accounts for each ownership structure protect client funds and simplify accounting.
- All employment agreements are MLC 2006-compliant and tailored to meet Flag State requirements.

Full Administrative & Legal Support

- End-to-end payroll processing, salary notifications, and termination documents.
- Assistance with employment disputes, disciplinary matters, and access to legal specialists where needed.
- Support with Flag State documentation, safe manning certificates, and exemption certificates.

Smart, Secure Payroll Services

- A cloud-based payroll portal accessible to crew for payslips, holiday tracking, and tax reporting.
- Single monthly payments from owners; Cornerstone handles all onward distributions—including multi-currency options.
- Bank verification checks to prevent payment errors and enhance security.

Support for Crew

- Guidance on tax and social insurance, life insurance, pensions, and healthcare options.
- Issuing of reference letters, PYA testimonials, and loan support documentation.
- Application assistance for discharge books and official certifications.
